24/7 WITH...MICHELLE BUELOW, OWNER OF BELLA TUNNO, CHARLOTTE, NC

My best friend says I am:

A firecracker. Fun-loving. Stubborn. Bad at remembering birthdays.

I'm thinking about:

Being on Oprah someday.

I am guilty of:

Eating at least four Happy Meals a week.

I can't live without:

Coffee. It's the key to my morning happiness.

One thing I never want to do again:

Get a perm. My hair is still reeling from 8th grade!

If I could do it all over again:

I wouldn't change much...maybe some of my high school outfits.

My favorite possession:

The 43-page handmade picture book my husband created to propose. It just reminds me of how lucky I am.

Last major purchase:

The navigation update for my car—I get lost EVERYWHERE I go. That purchase has saved me so much time, gas and frustration.

My work:

My line of fancy, fresh and fun baby and children's accessories (www.bellatunno.com).

My family:

My husband, Todd and my 21-month-old daughter Riley Elizabeth Rose (a.k.a. Director of Product Testing).

Favorite superstition:

The Chinese Lunar Calendar. I swear by it for myself and all my girlfriends. It's the real deal.

My theme song:

"I Feel Lucky" by Mary Chapin Carpenter
