Don't 'cowtow' to the ordinary; get extraordinary with Bella Tunno's Cow Print Bib and Burpie. Bella Tunno specializes in making baby basics super stylish, and their cow print Bib and Burpie are no exception. Baby will love the high contrast cow print, and soft terry velour backing. Mommy will love that Bella Tunno doesn't sacrifice function for style: an extended Velcro closure will allow the Bella Bib to grow with baby, and when baby no longer needs a burpie, Bella Burpie's generous size makes for a great changing pad!
